

Parents enjoy this special time sharing worship with your children. Feel free to:

- Quietly explain the parts of the service to your children.
- Guide them to stand, sit, sing or pray with the congregation.
- Encourage them to come forward for the children’s message.
- Ask them to save their quiet activities (from home or our cart) for the sermon.

Nursery and toddler room will be open for children 0-2y.o.

VPC Worship Progression

“...the closest our research has come to that definitive silver bullet (for sticky-faith that lasts a life time) is the...relationship between attendance at church wide worship services and Sticky faith...”
