Below are a few things to consider when choosing a class for next year:

- We follow the SUSD calendar somewhat closely. There are several Monday holidays throughout the school year. Please keep this in mind when looking at our MWF class options.
- Our tuition is based on the cost of an entire school year, but we divide this amount into ten equal monthly payments (billed August through May). We do not prorate tuition during months when we have holiday breaks or days away from school.
- We encourage families to choose the older MWF class, 4 Day or 5 Day as a final year of preschool before kindergarten. In Arizona's public schools, children must be 5 by September 1st to begin the kindergarten year.
- We are unable to accommodate special requests from families to mix and match class days or double up on classrooms to create a full week of school.

By signing this agreement, I understand that school tuition is paid over a 10 month period in 10 equal payments, August-May. Months with holidays, vacations, and/or fewer school days are not charged at a different rate. Withdrawing a child from school, whether it is at the beginning, middle, or end of the month, parents are responsible for the entire month's tuition. If a child is withdrawn after April 1, parents are responsible for April and May tuition.

Please attach the non-refundable registration fee of \$100 (or select Tuition Express) in order to complete the registration process. (Initial here) ____ I would like to have my registration fee charged via Tuition Express.
